### § 307.0 Scope of this part.

This part implements sections 452(d) and (e), 454(16) and (24), 454A, and 455(a)(1)(A) and (B), and (a)(3)(A) of the Act which prescribe:

- (a) The requirement for computerized support enforcement systems;
- (b) The functional requirements that a statewide computerized support enforcement system must meet;
- (c) Security and confidentiality requirements for computerized support enforcement systems;
- (d) The criteria the Office must determine exist prior to approving an advance planning document (APD);
- (e) The requirements and procedures for the submittal of an APD;
- (f) The requirement for continuous review of each approved statewide computerized support enforcement system;
- (g) The availability of FFP at the 90 percent rate;
- (h) The availability of FFP at the applicable matching rate; and
- (i) The conditions under which the Office will suspend approval of an APD.

### § 307.1 Definitions.

- (a) *Alternative approach to APD requirements* means that the State has developed an APD that does not meet all conditions for APD approval in

## 45 CFR Ch. III (10–1–11 Edition)

§ 307.15(b) resulting in the need for a waiver under § 307.5.

- (b) *Business day* means a day on which State offices are open for business.

- (c) *Alternative system* means the separate manual and/or automated processes that perform one or more of the required functions separately from the base system and that interfaces with the base system to ensure that the State can meet all requirements for purposes of the audit prescribed in section 403(h) of the Act. These separate processes may involve geographic areas, such as counties; administrative jurisdictions, such as courts; or separate means by which the State meets particular program requirements, e.g., collection of support for non-IV-A cases.

- (d) *Alternative system configuration* means an alternative to a comprehensive computerized support enforcement system. It includes a base system with electronic linkages to an alternative system(s), which is not part of the State's computerized support enforcement project (i.e., not the State's sole system effort), but which is necessary to meet the functional requirements of the statewide, comprehensive computerized support enforcement system under § 307.10, or § 307.11.

- (e) *Base system* means the hardware, operational software, applications software and electronic linkages in an alternative system configuration which allow the State to monitor, account for and control all support enforcement services and activities under the State plan.

- (f) *Certification* means approval of an operational computerized support enforcement system based on a determination that the system has an efficient and effective design and is comprehensive, except where a waiver applies.

- (g) *Comprehensive* means that a computerized support enforcement system meets the requirements prescribed in § 307.10, or § 307.11 of this part, as further defined in the OCSE guideline entitled "Automated Systems for Child Support Enforcement: A Guide for States."
